From minor repairs to comprehensive customised fit-outs

Swish Auto Electrics is owned and operated by Rohan Dimer, a fully qualified, highly-skilled Auto Electrician. With over 15 years of experience in the local automotive electrical industry, plus many years working in WA's mining industry as a drill & blast supervisor, he enjoys extensive knowledge of heavy plant machinery and specialised control systems.

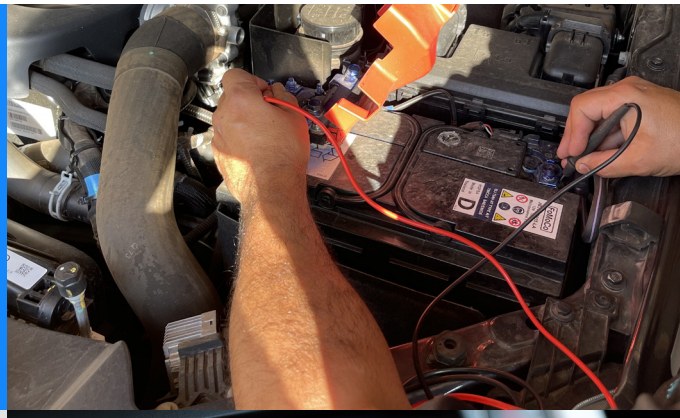

There's no auto-electrics job too challenging for the Swish auto-electrics team. Led by a proven specialist who understands the unique demands of remote travel, they appreciate the critical importance of vehicle reliability and the life-saving potential of custom-fitted auto accessories.

Here's what Swish can offer you

Fast and Efficient Repairs

Our skilled team ensures quick and effective repairs and troubleshooting, getting your operational vehicles back on the road in no time.

Mobile Air Conditioning Repairs

Our team is licensed and highly experienced in air conditioning repairs, ensuring optimal performance and comfort for your vehicle, no matter where you're located.

Comprehensive Auto Electrical Services

From diagnostics to repairs and replacement parts, we offer a full range of automotive electrical services.

Field Service

In our fully equipped work vehicle, we are available to travel offsite to carry out repairs, service, and maintenance wherever you are, including visits to remote mine sites.

Swish Auto Electrics

Purpose-built auto electrics, just for you

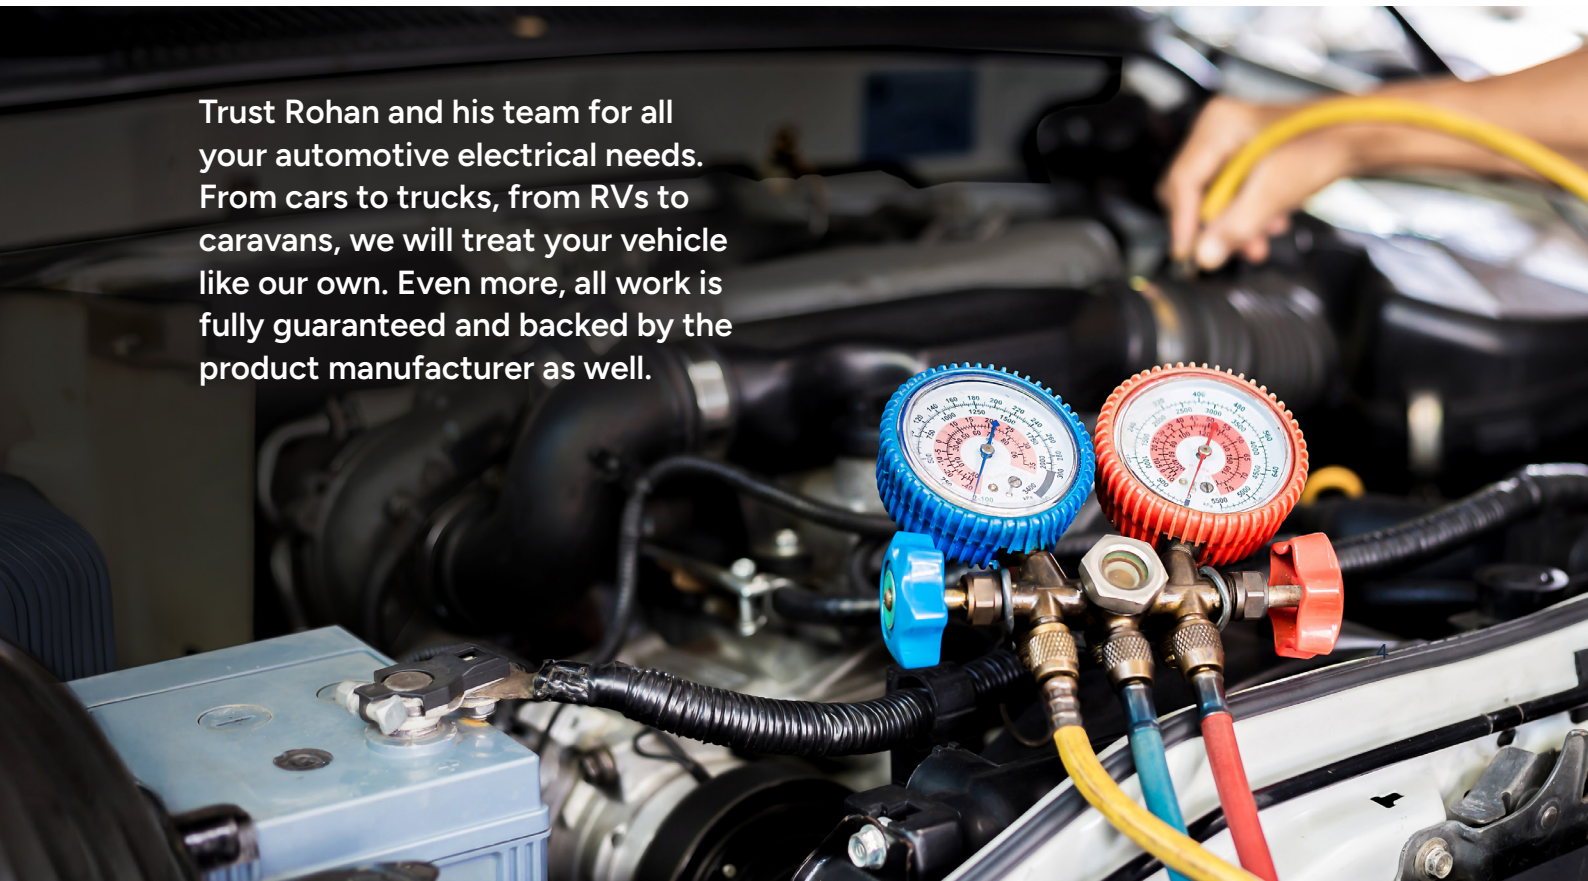

We can design and fit out your car, 4x4, utility, or camper, to suit your needs and budget. From a dual battery set up, to fully compliant mine-spec vehicle fit-outs, Swish gets the job done.

"Friendly, honest service and high-quality workmanship are the two cornerstones of my business"

Rohan Dimer

For travel far
off the beaten track

No other local auto-electrician is better placed to fit-out your vehicle for remote travel. That's because Swish Auto Electrics is closely aligned with another Kalgoorlie based business called Swish Power Solutions.

Swish Power Solutions is a leading WA distributor of Bluetti innovative energy solutions, delivering safe and versatile off-grid power products and accessories.
